CAPABILITIES STATEMENT

COMPANY OVERVIEW

Brano Design is a 17-year-old firm specializing in commercial design, consulting, and construction. We consult primarily on capital projects to facilitate the space with best practice solutions. We work as Design-Build Coordinators and Project Managers and oversee the design-build documentation process on our projects. We work on construction projects performing Interior Finishes. We specify the right sustainable materials/products and perform enhanced commissioning (quality control). We bridge the gap between design and construction.
